

**TOWN OF ELLINGTON
OUTAGAMIE COUNTY
ZONING ORDINANCE 1-98
“BUILDING PERMIT PROCEDURE FOR ALL TOWERS,
INCLUDING TELECOMMUNICATION TOWERS”**

1. Prior to issuing a building permit, a Public Hearing is required, no sooner than two weeks or more than four weeks after the application. The cost of the hearing is \$500.00, to be paid in advance.
2. Application shall include a copy of the complete construction bid and a copy of the next lower bid.
3. A complete map of all Haul Roads to be used for construction material, plus loaded truck weights and axle loads must be included.
4. All expenses for security that the town or county must provide will be born by the applicant.
5. A fee equal to 40% of Item No. 2 shall be charged for the permit.
6. The land owner is responsible for foundation maintenance and removal once the tower is vacated.
7. No tower shall require more than five acres of land.
8. Any expenses incurred by the Town for removal of tower will be billed back to the property owner.

Passed this 24th day of August, 1998.
